John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Peace Prayers: From the World's Faiths, Roger Grainger, Religions contribute to wars, but they can also contribute to peace. They are its necessary foundation. Here eight different religions join together in peace to pray for peace. Under the auspices of the interfaith organization, The Week of Prayer for World Peace, they bring home vividly the love that is God and the horror that is war. It is not only inner peace - tranquility of soul and mind - which is being sought here, but an end to agony and bloodshed, physical and psychological torture, abuse of every kind taking place in the world of men, women and children. This is a very practical prayer book, earthed in the pain of being human. Peace itself comes in many different forms, and the book is arranged to be flexible and comprehensive, ideal for individual or group use. It consists of seven weeks of prayer, each of which contains eight "days" of prayers and intercessions on particular themes connected with the overall theme of "Peace on earth and goodwill towards mankind".
