Bookwhirl.com, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book will invigorate and stimulate your relationship with your beloved spouse. You will find in this book, common areas of conflict between husbands and wives. The source of these differences is lack of understanding between spouses and how their perceptions differ on issues. Many of us have a tendency to interpret our spouses actions and reactions from our own point of view, as opposed to that of our spouse. Quite often, we assume that our spouses are like us. While this may be true in some cases, there are exceptions. I have uncovered eight popular misunderstandings. This number has been intentional. I wanted to publish a relatively smaller book that could easily be a pocket companion. These eight areas expose generalizations. I recognize the existence of exceptions to every rule, but hope that the information contained here, will help you to appreciate your spouse even more. Additionally, I hope that you begin to implement these techniques to ultimately enrich your marriage as soon as possible. I am positive that you will most likely move from general conclusions about your spouse to specifics. It is worth mentioning here that how soon you and your spouse start to respond positively to these suggested tips largely depends on how the two of you interact. Making assumptions about the behavior of your spouse does not help either of you, therefore, it is imperative to study these tips very carefully and apply them accordingly. My earnest desire is to see husbands become gentler, more patient, understanding, and loving toward their wives, recognizing that they are weaker vessels. This is very important. Wives are exhorted to respect, honor, and submit to their husbands....
