Gresh, one of the most talented writers working these days in the realms of imagination. These tales of weird fiction blend elements wrung from science fiction, dark fantasy, and horror. Some stories are bent toward bizarre science, others are Lovecraftian Mythos tales, and yet others are just twisted. They all share an underlying darkness, pushing Lovecraftian science and themes in new directions. While H.P. Lovecraft incorporated the astronomy and physics ideas of his day (eg, cosmos-within-cosmos and other dimensions), these stories speculate about modern science: quantum optics, particle physics, chaos theory,...
