

She Devils: True Stories of the World's Most Notorious Female Serial Killers

By Anne McDuff

John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, She Devils: True Stories of the World's Most Notorious Female Serial Killers, Anne McDuff, At the turn of the last century, with no adoption agencies to protect them, Annie Walters killed unwanted newborns. 90 years later, Aileen Wuornos sold herself on the highways of Florida, a well-known hunting ground for men looking for prostitutes, until she became the hunter. Rose West exploited lonely girls from nearby children's homes, and Myra Hindley took sickening advantage of the blind trust of Britain in the 1960s, where children were safe to walk the streets alone. Beverly Allitt and Marybeth Tinning thought that, as a nurse and a mother, the deaths of the children in their care would be seen as tragic accidents. And Karla Homolka exploited a different prejudice. She was perfect, pretty, and so caring as a veterinary nurse. No one ever imagined she could be a sexual predator and killer. In this shocking and fascinating book, Anne McDuff examines the cases of the world's most notorious female killers, revealing the horrific stories behind their crimes and the inner workings of the twisted minds of women who kill.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
