Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

PRACTICAL FALCONRY: TO WHICH IS ADDED, HOW I BECAME A FALCONER

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the beginning of the Chap. I. - Preliminaries. When, at the end of May last, I said Good-bye to Falconry as a writer on the subject, I was not prepared for the demand which was afterwards made for a practical treatise. That demand, however, induced me to appear again, for positively the last time; and I now offer my readers in a volume of The Field Library what I lately offered them in the paper itself, some few, but I trust thoroughly practical, chapters on the Art of Falconry. I make no further preface, for my object is to keep entirely to the subject before me, beginning at the beginning, placing myself as much as possible in the position of a person who knows nothing of falconry, and trying to present such a treatise to my readers as I desired many years ago to obtain for myself. Let me suppose, in the first place, that a man has some sort of floating feeling that he should like to see the falconry which he has read of in the Waverley Novels, in some old book of British sports, or has heard of, for some years, as being really now carried out in this country. Let me suppose, further, that he is inclined to take up the matter himself. He will want a tutor; and the first questions probably which he will ask are, What sort of hawks should I have, and where can I get them? I answer-What is the character of your country?-what expense do you care to go to? - have you a manor of your own; or, if not, have you friends...
