

Indigenist African Development and Related Issues: Towards a Transdisciplinary Perspective

By -

Sense Publishers, United States, 2014. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is no term so heavily contested in social science literature/nomenclature than Development . This book brings Indigenous perspectives to African develop-ment. It is argued that contrary to development as we know it not working, a greater part of the problem is that conventional development approaches that work have in fact not truly been followed to the letter and hence the quagmire. All this is ironic since everything we do about our world is development. So, how come there is difficult knowledge when it comes to learning from what we know, i.e., what local peoples do and have done for centuries as a starting point to reconstructing and reframing development ? In getting our heads around this paradox, we are tempted to ask more questions. How do we as African scholars and research-ers begin to develop home-grown solutions to our problems? How do we pioneer new analytical systems for understanding our communities and offer a pathway to genuine African development, i.e., Indigenist African development? (see also Yankah, 2004). How do we speak of Indigenist development mindful of...
