Master Key Productions, Inc., United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Law of Attraction is REAL.but does it work? We live in a wonderful universe in which just about anything we can imagine is possible. Yes, you can go from rags to riches, from sadness to joy, and can have just about anything you want. Yes, you can manifest all of this. But how? How come there are so many people who believe in the Law of Attraction, yet so few who have actually achieved results? Countless millions of people have put these claims to the test and the results are in: If the Law of Attraction worked then every one of those people should be financially free, in loving relationships, and living the lives they always dreamed about. The reality is that people who try to use the Law of Attraction are not any more likely to be rich or happy than people who don't. Begin your new life, and stop wasting time on hype! The Secret and other self-help programs based on the Law of Attraction say that quantum physics proves that we can attract or manifest whatever we want in our lives. All we have to do is decide what we want, act as if we already had it, and be happy and grateful for it. Let's just be real for a minute: don't you think there's more to it than that? In The Flaw in the Law of Attraction, we talk about the missing ingredient to the Law of Attraction. Instead of attracting what you want in the future, why not realize how you created the reality you see now? This book does not just offer general,...
