

Congratulations, You Are a Science Nerd

By MR Ian Liberman

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I am the creator of Pressman's Rock Trivia which sold over half million copies worldwide. My experience is in pop culture and music which has allowed me to know my market, so that I can provide the best concepts in cosmology and pop culture. This book is not aimed at the highly scientifically literate but rather individuals who seek and wish to understand the knowledge of the universe in an entertaining and creative way. I will use characters like Dr. Who and Superman to introduce theories. I will take complex theories like entanglement, time travel and quantum field theory while providing repetition and primary approaches, so that you can understand the concepts. In the book you will find blank sheets where you are encouraged to make notes or at least doodle. My simplified approaches come from my teaching background that includes more than twenty-five years with teaching in the Toronto District School Board. This book will open up a new world for you because I guarantee you will be able to pick up a book by Lawrence...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
