ONE HUNDRED YEARS OF PUBLISHING, 1785-1885 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from One Hundred Years of Publishing, 1785-1885 When a business house, handed down from father to son, has withstood the vicissitudes of a century, it can look back with pardonable pride upon its past career, and can anticipate, with reasonable hope, a continuance of the prosperity hitherto secured by the labors of its members. A house which dates back nearly to the close of the War of Independence, which has since then survived all the alternations of peace and war, the rise and fall of successive financial systems and the frequently recurring convulsions of trade, while invariably maintaining its commercial honor and never failing to meet its obligations to the day, has proved itself to possess the qualifications which win and deserve success; and its present members may be pardoned if they desire to put on record a brief memorial of what their predecessors have accomplished. Born in Dublin in 1759, Mathew Carey, the founder of the house, selected the occupation of a printer and bookseller.
