Reviews

A must buy book if you need to adding benefit. Indeed, it can be engage in, continue to an amazing and interesting literature. I am effortlessly can get a delight of reading a published pdf.
(Elliott Wuckert)

NAME THAT DINOSAUR: A PUZZLE ADVENTURE (MIXED MEDIA PRODUCT)

Candlewick Press (MA), United States, 2009. Mixed media product. Book Condition: New. Martina Jirankova-Limbrick (illustrator). 264 x 236 mm. Language: English . Brand New Book. It s a game-o-saurus! Readers search artwork for dinosaurs, complete a poster with dino-name stickers, solve puzzles, and more. On the island of Rosa Turoso, there are lions that speak, lizards that dance -- and a girl named Abba who is crazy about dinosaurs. With her dinosaur poster, her dachshund, and her magical hat, Abba sets off on a journey, spotting dinosaurs (and other surprises) all the way. Readers are invited to follow along, affixing dinosaurs names on a poster just like Abba s. Illustrations conceal sixteen dinosaurs, while puzzles and challenges boost the fun. The final bonus? A pullout book of facts and rhymes helps children get to know the dinos better.
