Neil Wilson Publishing. Paperback. Book Condition: new. BRAND NEW, The Little Book of Loony Sex Laws, Christine Green, A little book that takes a quirky look at the world of sex and finds that, universally, the law is an ass! The Little Book of Loony Sex Laws reveals over 250 loony sex laws and rules - some current, some ancient. Did you know that in the USA in Virginia in the county of Norfolk a law was passed banning women from wearing corsets. The reason being was because 'the privilege of admiring the curvaceous unencumbered body of a young woman should not be denied to the normal red-blooded American male'. And in Ohio, Cleveland, women aren't allowed to wear patent leather shoes for fear a man might see the reflection of something that he ought not to! In China there is no law against prostitution because according to the authorities: "There is no prostitution in China. However, we do have some women who make love for money." In England, no sex is allowed on the back of a motorbike in the city of London! And finally from Greece, the ancient Greeks knew how to deal with adulterous men. A law was written that if caught in the act they would have their pubic hair removed and a large radish inserted up their rectum. There is no record of any repeal of this law! The perfect antidote to our oversexed world, The Little Book of Loony Sex Laws is a must for Father's Day!.
