## YOUTH CRIMINAL JUSTICE POLICY IN CANADA: A CRITICAL INTRODUCTION

Springer. Paperback. Book Condition: New. Paperback. 100 pages. Dimensions: 9.0in. x 6.1in. x 0.3in. In the past ten years, much has changed in terms of youth justice policies in Canada as well as in the way Canadian society has evolved. Canada has a new Act governing youth crime, and there are indications that the Act will be revised again to make it tougher on youth in conflict with the law, a development reflecting what many scholars are calling the punitive turn in youth justice policies in Canada and elsewhere. At the same time, Canadian child poverty rates (which are strongly correlated with criminality) have remained high, despite a commitment, made by governments in 1989 to eradicate the problem by the year 2000. Immigration patterns have changed, and unemployment rates for young Canadians remain almost twice as high as those for adults. In this volume, *Youth Criminal Justice Policy in Canada: A Critical Introduction*, the author addresses these and other developments in relation to youth crime in Canada from a critical criminological perspective. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
