*It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Civics for Young Americans: Or First Lessons in Government; Revised and Enlarged, With an Appendix Containing Explanations of State, County, Town and City Government In preparing this book the author has had primarily before him the fact that just such a book was wanted to throw light upon a common subject not generally or sufficiently treated in school courses of instruction. Besides, there has been a paramount desire to present the subject in a form so simple and entertaining that the young reader may readily understand, and through this understanding, be led to further thought. A basis of interesting knowledge being established, further thought cannot fail to inculcate a love of our country and its laws. The subject of Civil Government involves much that requires for its comprehension mature and extended thought. In view of this fact the author has kept in mind the capabilities of young intellects, and has endeavored to treat that subject so simply, in both the choice of words and the arrangement of thought, as to insure its easy comprehension by the youngest reader. Nevertheless, it is hoped that it will prove interesting to older thinkers who may find time to read it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
