More and more people recognize that a corporate brand value is more important than the value of its capital. However, how can we make a brand not only has high visibility, but also enjoy the brand value-added, that the luster of the brand book details answered every question. It in-depth study of the mysteries of the brand: when and why the brand can play its role in a brand chronic imperceptible decline where the management of the brand in the new media age how to apply network resource sharing must follow what brand rule brand of success is whether the program book is organized as a dictionary, commonly used form of short-term, such as information or power, the balance of risks or key identification. In each of the short term after this lengthy explanation, accompanied by examples drawn in practice as evidence. The end of this book and then a quick summary of the basic rules of brand strategy. The book is required reading for a leader who matter. At the same time, it also opens up an entry by the door to the world of the brand. It helps people to exclude a misunderstanding - to equate the advertising strategy and brand strategy. Whether it is to read, browse or query - This is a classic brand...
