Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.
(Shyanne Senger)

LITTLE DISCOVERIES: COLORS

Abbeville. 1 Board Book(s), 2009. soft. Book Condition: New. Taking us for a visit to young Nate's art activity class, this book not only introduces basic colors, it also shows how paints like blue and yellow blend to make green, how shades of the same color can be lighter or darker, and how color fades from the world at night. Help Nate choose or mix colors by lifting flaps and pulling tabs; then, turn a wheel to have fun changing his hair and eye colors. This interactive padded board book for prereaders offers plenty of visual surprises in a half-dozen two-page scenes. 12.
