Excerpt: . . . sports that it is not necessary to dwell upon the practical value of this present volume. Of especial interest and importance are the chapters devoted to the construction of small boats, in which he gives minute details for everything which goes into the making and the fitting of a canoe or cat-rig. Although an Englishman, the author is a sincere admirer of the skill and ingenuity of the American boatbuilder, and is glad to give due credit to the advantages of the American type of yacht. The amateur sailor--no matter how inexperienced he may be--will find Mr. Hickss instructions always within his comprehension, and his book a ready guide when perplexed by nautical difficulties.
