Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE HOOKED X: KEY TO THE SECRET HISTORY OF NORTH AMERICA

Partners Pub Group, United Kingdom, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The Hooked X is a secret symbol first found on an inscribed slab of rock, dated 1362, unearthed by a farmer in Minnesota in 1898. This mysterious symbol inspired the author to pursue a nine-year investigation on both sides of the Atlantic that led to the discovery of other artifacts and clandestine documents indicative of secret trips to North America long before Columbus. The trail of evidence led to a deep plunge into the shadowy areas of Freemasonry and the Knights Templar that most brethren of these orders are unaware of. This incredible true story reveals untold secrets of North America that weave from medieval times through today, forever changing history as we know it.
