Thistledown Press, United States, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. This book is moving and true. Mexico begins with the shock of dislocation, entry into the exotic ; Caribbean Odyssey feels like a darker and more troubled grappling with spirit and place (and the Bolden references are terrific.) In the third movement the traveler feels more settled; humour is available, with a kind of exhaustion around the edges that accepts the surreal almost as status quo. And then in the South Seas there s the sense of cosmic openness, contemplation, agape. Hula Hymns celebrates the mystery, in human terms. To end on Cook s death, shape-shifting, myth, legend, brings us full circle to dislocation, but a dislocation where all the parts are in a kind of suspension with the vision developed through the text allowing new perspective. A pastiche of travel, Doug Beardsley s Spirit of Place is where the adventurous reader wants to go afar and meld with the paradisiacal of exotic places still in existence on an increasingly degradable earth. In Beardsley s travel narratives we have the right tonic for that restless global traveller. This poet has soul and I wish soul replaced the gold standard, but in this workaday consumer world, what is to be said is truly said by Beardsley. There is biting honesty, a hard edge to this volume. - Joe Rosenblatt Once again, Doug Beardsley is going down into history . In the tradition of Stevenson and Melville, he sails the waters of the South Pacific and the Caribbean in search of spirit of place . Beardsley looks beyond the invasion of mahogany tourists and finds he cannot help thinking of slavery and sea dragons . He meditates on those who have come before;...
