St Martin s Press, United States, 2016. Paperback. Book Condition: New. 236 x 154 mm. Language: English . Brand New Book. Situated in the buffer zone between two rival human empires, the planet Montana is a backwater: remote, provincial, independently minded. Even as a provisional member of the Republic of Aligned Worlds, Montana merits little consideration until it becomes the flashpoint in an impending interstellar war. When pirate raids threaten to destabilise the region, the RAW deploys its mechanised armoured infantry to deal with the situation. Leading the assault is Marine Corps Lieutenant and Montanan expatriate Promise Paen of Victor Company. Years earlier, Promise was driven to join the Marines after her father was killed by such a raid, and Promise is in no way happy to be back on her birth world. Making matters even worse, Promise is persistently haunted by the voice of her dead mother. Meanwhile, the RAW s most bitter rival, the Lusitanian Empire, has been watching events unfold in the Montana system with interest. Their forces have been awaiting the right moment to gain a beachhead in Republic territory, and with Promise s Marines decimated, they believe the time to strike is now.
