

Canada: The Empire of the North

By Agnes C Laut

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.To re-create the shadowy figures of the heroic past, to clothe the dead once more in flesh and blood, to set the puppets of the play in life's great dramas again upon the stage of action, -frankly, this may not be formal history, but it is what makes the past most real to the present day. Pictures of men and women, of moving throngs and heroic episodes, stick faster in the mind than lists of governors and arguments on treaties. Such pictures may not be history, but they breathe life into the skeletons of the past.
