Reviews

A must buy book if you need to adding benefit. It is probably the most amazing ebook i actually have go through. Its been designed in an exceptionally basic way and is particularly just soon after i finished reading through this book through which basically changed me, affect the way in my opinion.

Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, Everybody Sees the Ants, A. S. King, Lucky Linderman didn't ask for his life. He didn't ask his grandfather not to come home from the Vietnam War. He didn't ask for a father who never got over it. He didn't ask for a mother who keeps pretending their family is fine. And he certainly didn't ask to be the recipient of Nader McMillan's relentless bullying, which has finally gone too far. Lucky has a secret--one that helps him wade through the daily dysfunction of his life. Grandad Harry, trapped in the jungles of Laos, has been visiting Lucky in his dreams--and the dreams just might be real: an alternate reality where he can be whoever he wants to be and his life might still be worth living. But how long can Lucky remain in hiding there before reality forces its way inside? Printz Honor recipient A. S. King's distinctive, smart, and accessible writing shines in this powerful novel about learning to cope with the shrapnel life throws at you and then taking a stand against it. In her own words, this book comes from 'an idea that we are all prisoners. An idea that bullying is a widely ignored form of torture. An idea that only we can choose to escape our own prisons. An idea that no one can take something from you if you don't give it. These are the ingredients.
