Creswell: Research Design: Qualitative, Quantitative, and Mixed Methods Approaches 4e. The eagerly anticipated Fourth Edition of the title that pioneered the comparison of qualitative, quantitative, and mixed methods research design is here! For all three approaches, Creswell includes a preliminary consideration of philosophical assumptions, a review of the literature, an assessment of the use of theory in research approaches, and reflections about the importance of writing and ethics in scholarly inquiry. He also presents the key elements of the research process, giving specific attention to each approach. The Fourth Edition includes extensively revised mixed methods coverage, increased coverage of ethical issues in research, and an expanded emphasis on worldview perspectives. Maxwell: Research Design: An Interactive Approach 3e - This book provides researchers and students with a user-friendly, step-by-step guide to planning qualitative research. It shows how the components of design interact with each other, and provides a strategy for creating coherent and workable relationships among these design components, highlighting key design issues. Written in an informal, jargon-free style, the book incorporates examples and hands-on exercises. Stringer: Action Research 4e - The Fourth Edition of Ernest T. Stringer's best-selling Action Research offers easy-to-follow, clear guidelines that enable novice practitioner researchers to move comfortably through a process of inquiry and applied research. Featuring real-life examples and providing effective solutions that foster understanding of research procedures in real-life contexts, the book offers a simple but highly effective model for approaching action research: Look: building a picture and gathering information, Think: interpreting and explaining, and Act: resolving issues and problems. Using his own experience as a guide, Stringer encourages readers...
