The Methods of Teaching Shorthand: A Practical Treatise on the Solutions of Classroom Problems (Classic Reprint)

By Edward J McNamara

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Methods of Teaching Shorthand: A Practical Treatise on the Solutions of Classroom Problems In the pages which follow there is outlined a plan of instruction for shorthand classes that, it is hoped, will furnish practical solutions to many of the problems that confront the teacher in the classroom. So far as known this is the first attempt to formulate the principles of shorthand instruction using modern principles of pedagogy as a basis; it will probably be followed by similar books dealing with the pedagogy of other commercial subjects, for preparation for a business career is every day becoming more important and it is only a matter of a very short time when the most efficient methods of imparting this knowledge or skill will be established. At the present time there are many ideas in this branch of education that are unthinkingly accepted and have for their *raison d'être* only a questionable tradition. The principles of instruction formulated in this book took form as a result of the work done in connection with the...
