Father Tolhurst does a fine job of leading the faithful in reflecting upon Sacred Scripture. He draws on many excellent, diverse and rich resources from our Catholic heritage. The reflections are wonderful starting points to a deeper understanding of the Faith. They are supported by the teaching of the Church, as well as from the writings of the many holy men and women down through the ages. These reflections are yet another fine way of growing in a deeper relationship with Jesus Christ. What better way than through a daily commitment to the Scriptures. I recommend this great work to the faithful who wish to increase their faith and use well the seasons of the church year to grow in holiness. + Most Reverend John J. Myers Archbishop of Newark Here are timeless reflections for each day of Advent to help us prepare in mind and heart for the Coming of Our Lord Jesus. We need this special time to pause in our hectic rush and realize that we are waiting for him who is First..
